Dear Nana,

Thank you for submitting an EOI to a **Biennial New Dance Festival** for March 2023 and nominating **Temperance Hall** as a partner organisation.

We are delighted that your project 'Dream Factory' (working title), has been recommended to us by the Festival's artist curatorium. Whilst this does not confirm festival programming, it does present the opportunity to meet and discuss your ideas and vision further.

We would like to invite you to a meeting at Temperance Hall with Phillip Adams (Artistic Director), William McBride (Executive Producer), and myself (Program Producer) in the coming weeks. Let me know if either of the following dates may work for you:

Wednesday 3 August, 11am

Monday 8 August, 1pm

Ideally, this meeting will take place at Temperance Hall, but should you require a zoom meeting we will do our best to accommodate.

All the best with opening night this evening, I am very much looking forward to seeing the work later this week!

Best,

Anna
